CORONAVIRUS STATEMENT (COVID-19)

As the country continues to adjust to the current situation with the Covid-19 outbreak, we have been following Government guidelines as the health and wellbeing of our customers and staff is paramount. We are taking precautions to avoid the spreading of Covid-19 and are ensuring rigorous cleaning at our premises and encouraging frequent handwashing throughout the day. If any member of staff are showing symptoms, we are sending them home to self-isolate and follow NHS/Government guidelines.

**To all our valued customers we are business as usual, we have stock,
our supply chain is not affected
and we are still taking orders and despatching goods.**

As the situation can change daily, we are monitoring this and will update you if this impacts on our ability to provide you with the highest quality of service throughout this time.

Thank you for your support during this difficult time.
