

Convex Portable Mirrors

Features

- Shatter resistant Acrylic
- Easy 3-piece assembly
- Heavy duty base
- Hardware included
- Excellent as safety mirrors in preventing industrial intersection accidents

Quickly cover blind spots when storage and aisle conditions temporarily change. Mount our standard indoor convexes to this portable mirror stand. Great for temporary project areas and multiple dock stations. Wheels make contact with ground when the stand is tilted for moving purposes.

Model No	Description	Dia
CVI-PS-18	Convex Acrylic Mirror with Portable stand	18"
CVI-PS-26	Convex Acrylic Mirror with Portable stand	26"
CVI-PS-30	Convex Acrylic Mirror with Portable stand	30"

High quality mirrors with shatterproof acrylic lenses.

Provide your employees with convex portable mirrors. Safety coverage where you need it. Mirrors are lightweight, fade-proof and virtually unbreakable with top-quality silvering and near-perfect convexing which affords the widest angle of vision.

Lighter and brighter than glass. Each mirror individually packaged, complete with adjustable positioning.

Convex Mirrors are a retail store's first line of defence against shoplifting and pilferage. Each increases aisle visibility and eliminates blind spots. Also excellent as safety mirrors in preventing industrial intersection accidents.

Key Features:

- **Virtually unbreakable**
The potential danger and liability of having treacherous glass overhead is eliminated.
- **20% Brighter**
Special mirroring techniques provide a 20% brighter image than glass.
- **Less Distortion**
Special forming techniques provide an optical image that is superior to glass.
- **Longer Lasting**
Made from high quality Acrylic and will not discolour over time as glass frequently does.
- **Lighter Weight**
As Acrylic is much lighter than glass, it is easier to handle and install.
- **Economical**
Less expensive and eliminates the high cost of replacing broken glass mirrors.
